

**Serve City**  
A MINISTRY OF HELP AND HOPE

**To**

I am writing to respectfully request your continued support for the thousands of families in Butler County who have relied on the critical services provided by Serve City for over 20 years.

Homelessness and food insecurity remain pressing issues in our community, affecting more than 40,000 Butler County residents—including 17% of Hamilton’s population. These include families, children, seniors, and veterans who struggle daily to meet their basic needs. Serve City, based in Hamilton, Ohio, plays a vital role in addressing these challenges by offering a range of essential services: emergency shelter for 50 individuals, transitional housing for those working toward self-sufficiency, and a choice food pantry serving individuals and families facing food insecurity.

These services are made possible through the commitment of dedicated staff, volunteers, and donors—but rising costs and increasing demand continue to strain resources. I urge you to consider legislative and policy measures that affirm public support for organizations like Serve City and allocate the funding necessary to sustain and expand their impact.

Your support can help ensure that Serve City continues to be a lifeline for our most vulnerable neighbors. Thank you for your time and consideration. Thank you!

**Sincerely,**
